## WEDDINGS AT EXETER

Thank you for choosing The Barn for one of the most important days of your life. We'd be honoured to host your wedding day & to help you with the venue related planning. Our entire team is devoted to ensuring service above & beyond to make it a wedding your family & friends talk about for years to come. We look forward to creating your special day with you!

After the proposal, choosing the perfect venue is where it all begins. The Barn was renovated in November 2013 with the plan of hosting beautiful weddings as our goal. Since then, we have become a premier wedding facility in Southwestern Ontario with breathtaking views of the Exeter Golf Club. Our barn is the perfect setting to make your special day romantically yours. Discover the unique rustic charm and relaxed elegance that only The Barn offers.

Your guests will be welcomed into a stunning turn-of-tile-century, rustic meets chic, classic style barn with original ceilings, a concrete bar, custom-made harvest tables, cafe lighting and three gorgeous chandeliers. You and your guests will celebrate in style!
