

Turf Mechanic

Settlers' Ghost

Location: Barrie, Ontario, Canada

Department: Turf

Reports To: Course Superintendent

Classification: Seasonal Full time

Salary: Based on experience

Summary:

Our Turf Mechanics primary responsibility is the maintenance and repair of all our turf equipment and assist with maintenance and repair of our irrigation system. As a secondary requirement the turf mechanic is a caretaker of the golf course and performs a wide variety of tasks. These tasks range from the operation of light equipment to manual maintenance and construction tasks. Equipment operation includes everything from running light utility vehicles, to mowing tees, greens, rough and fairways

Primary Responsibilities:

- Equipment preventative maintenance including but not limited to: equipment fluid monitoring and changes, reel adjusting, filters cleaning and replacement
- Equipment repair
- Sharpening of reels
- Fabrication as needed
- Irrigation repairs and maintenance
- Monitor cut quality of equipment and adjust cut heights as directed by superintendent
- Equipment operation including blowers, backhoe, mowing tees, greens, fairways and rough
- Work proficiently under the direction of supervisor, and complete assigned tasks within given time limits.
- Work safely and properly care for machinery and tools. At the conclusion of the work period, clean up tools and equipment.

Qualifications:

- Mechanically inclined
- Understanding of gas, diesel and 2 stroke motors to perform repairs
- Knowledge of hydraulics and hydrostatic drives
- Able to lift reels and run automated reel sharpener
- Must be physically fit, able to handle manual labor and lifting, as well as able to perform a variety of tasks with a positive attitude.
- Willing to work in all types of weather and environmental conditions.

to Apply:

Please submit your resume & cover letter to David Graham at manager.settlersghost@golfnorth.ca. Please write "Settlers' Ghost – Turf Mechanic" in the Subject line.
